Clubs & Innovative Programs

Our dynamic school culture thrives on creativity and collaboration. Our Club Portfolio Options and Innovative Programs add new dimensions to life at school.

Club Portfolio Options

We recognize that effective learning does not always take place exclusively in the classroom. As a school, we wish to broaden learning horizons so that students can connect the outside world to their experiences in school. Each club in school tries to provide these enrichment activities in their own way. Clubs are perhaps one of the most anticipated programmes at Edify School.

- Literary Club
- Visual Arts Club
- Performing Arts Club
- Music Club
- Eco Sustainability Club
- Edify Community & Humane Society
- Design and Technology
- Cuisine Club
- Interact Club
- MUN Club

Innovative Programs

At Edify School, we believe that true education is only complete when a student learns to think independently and critically, is well-informed and socially responsible. We offer a range of innovative programs that are designed to provoke thought, reflection, engagement and action with issues that concern the world at large. Our Innovative Programs ensure that students have opportunities, platforms and spaces to make their voices heard and to engage with views different from theirs, while developing core skills and tools that will serve them in good stead.

Life Skills Program
Value Education Program
Gender Sensitivity Program
Student Exchange Program
Sports Education Program
Community Service Program
Drop Everything and Read Program (D.E.A.R.)

"At Edify School, a strong belief in innovative pedagogy fuels our passion to cultivate habits of the mind in our students. As a highly collaborative learning community, we are driven by the power of inquiry, curiosity and progressive learning. We are defined by our commitment to developing a global outlook in our students, and encouraging them to be confident, internationally-minded thinkers who are at home anywhere in the world."

Making the world our own, question by question.

Awards, Recognitions & Associations

Edify School is authorized to conduct assessments for English at different levels of language proficiency and competency. Cambridge qualifications are recognized by educational institutions world-wide.

Edify School has partnered with British Council Library to bring our students access to the best of books, films, and multimedia resources from across the world. Our students can use the libraries curation and information services to give their research that extra edge.

DRSIS and Edify Group of Schools are certified by the Global League Institute, London, as Great Places to Study. 'Great Place to Study' Certification is a recognition for reaching and maintaining global standards. Edify School has a strong focus on student satisfaction practices such as learning experiences, life on campus, happiness quotient etc as it has great courses, infrastructure, and faculty.

Edify School has been awarded the 'Future 50 Schools Shaping Success Recognition' as one of the TOP 50 Schools in India in the International Curriculum segment for preparing students to succeed in the 21st century.

DRSIS and Edify Group of Schools has been honoured for 'Developing 3C Curriculum' which is a 3 Dimensional approach of imbuing character, developing and enabling and designed to bring balance between content and concept. The award is a testament to the group's pursuit of innovation.

Edify School has been honoured with the International School Award by the British Council for successfully embedding international-mindedness in the school curriculum and fostering a global outlook through the school's vision and endeavours. The award recognizes outstanding commitment to internationalism.

Why Choose CBSE @ MDN Future School?

Teacher-Student Ratio
Our 1:25 ratio ensures that our students experience personalized learning while still enjoying the scope of collaborative and peer learning experiences.

Professional Development
Our well-qualified facilitators enjoy CBSE Professional Development Workshops and Faculty Development Programmes that give them an extra edge.

Qualitative Assessment
A comprehensive system of assessments shape teaching and learning. Internal assessments, including subject enrichment tasks, practicals and projects, interventions such weekly and monthly tests, equip students to tackle examinations with ease.

A World of Resources- Our Information & Media Center
Besides the extensive resources available in our wi-fi enabled classrooms, our students also have access to our information

& media centre that is home books, journals, encyclopedias and other multimedia resources that help them take their learning even further.

Field trips: Real-World Connections
Our learning spaces extend well beyond the classroom and into the wider world. Making connections with the world at large is an integral part of learning at Edify School. Field trips keep learning relevant and significant, and help students make meaningful links with their exploration.

Career Guidance & Counselling
Our in-house career counsellors work with our students through a full-fledged program to help them discover and develop their interests, aptitude and strengths. Our students are given personalized support to help them make the right choices in terms of higher education and career pathways. The University Placement Cell and our virtual career guidance portal assist students with a range of tools and support

services.
Visual & Performing Arts
Students at Edify School are encouraged to develop the creative and aesthetic skills that help them articulate themselves through visual media and to better understand the visual world they live in through painting and sculpture. Our extensive Performing Arts program offers students training in Instrumental Music, Vocal Music, Western Dance and Indian Classical Dance.

Our Sports Education Programme
We offer a range of sportive pursuits to help our students experience identity, active living and interaction first-hand. Students choose to learn pursuits such as Gymnastics, Karate, Swimming, Skating, Cricket, Basketball, Football, Tennis, Archery, Chess and Table Tennis as part of our extensive Sports Education Programme.

A Fine Balance!

At Edify School, we strike the perfect balance between the national curriculum and an international approach, giving our students the best of both worlds. An uncompromising focus on academic rigour, complements our focus on **the development of the whole child through the development of skills and their innate potential.**

Opportunities for collaboration, discussion, application and experiential learning draws on the strengths of the CBSE Curriculum at Edify School, equipping students with the knowledge and tools they need to thrive and excel at school and beyond.

A curriculum that blends rigour with creativity...

BENEFITS

What makes the CBSE a great choice:

- Focus on holistic development of the child
- Focus on stress-free learning
- Emphasis on skill-based education
- Inclusion of local issues, history and culture along with global ones
- Close alignment with National Curriculum Framework
- Foundation for competitive exams in India such as the IIT-JEE, NEET, UPSC, CLAT etc.

Subject Combinations

At Edify School, we offer the following subject choices for students of Grades VI-X in addition to English Language & Literature, Mathematics, Science, Social Science and ICT.

Grades VI- X

Choice of Second Languages:

- Hindi
- Telugu
- French

Grades VI-VIII

Choice of Third Languages:

- Hindi
- Regional Language
- French
- Spanish
- Sanskrit

As per CBSE norms, either the second or third language option must be Hindi for students of Grades VI-VIII.

We offer the following subjects for students of Grades XI and XII for Science and Commerce Streams:

- English Core (compulsory)
- Mathematics
- Physics / Accountancy / History
- Chemistry / Business Studies / Political Science
- Biology/Economics

Students may also choose one of the following subjects:

Physical Education/ Psychology/ Entrepreneurship/ Informatics Practices/ Legal Studies/ Fashion Studies

Co-Scholastic Areas

Co-scholastic areas including Work Education or Pre-Vocational Education, Art Education, Health & Physical Education are vital areas that promote the holistic development of students and make students more competent and balanced in the CBSE Curriculum.

Academic Support you can count on!

With regular and ongoing internal assessments, practice papers and evaluation mechanisms, CBSE students at Edify School have several opportunities and avenues to receive extensive feedback on their progress and performance.

Additionally, the school also offers enhancement classes and remedial classes for students of board-going classes to give them that extra competitive edge.

Parents are also closely involved in the monitoring of their child's progress as the school keeps the parent community informed through the school's ERP app that provides updates about classroom transactions and assignments, and through platforms for interaction such as regular Open-House Days and Parent-Teacher Meetings.
